REASONS FOR ALLOWANCE

1. Claims 1-12, and 21-43 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. The applicant's amendments and arguments have overcome previous rejections. The applicant's claims now specifically exclude compounds classified as eye irritants by use of the transitional phrase "consisting essentially of." In particular the prior art teaches several secondary ingredients which one of ordinary skill in the art would consider as being eye irritants. Specifically the use of the abrasive, N-methyl pyrrolidone and hydrogen peroxide are all compounds well known to be eye irritants. As such these previous rejections are withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory E. Webb whose telephone number is 571-272-1325. The examiner can normally be reached on 9:00-17:30 (m-f).
